BUILDING FOR THE FUTURE

Caroga Arts Collective is embarking on a capital campaign to revitalize and reimagine **Sherman's Park and Myhill** into an Adirondack destination where community, culture and the arts flourish.

Since the official kickoff of the **Sherman's Legacy Campaign** last June, we have received over \$1 million in pledges and gifts, giving us a total pledged so far of **\$2.9 million** toward our \$5 million goal.

All Sherman's Legacy Campaign gifts and pledges will be generously **matched up to \$10,000 for each household** by Brad and Darla Dake.

Caroga Arts plans to begin construction at Myhill in Fall 2023 and at Sherman's Park in Spring 2024.

Resident Artist Spotlight

HARPIST ALIX RASPÉ GRAY

Alix Raspé Gray was a plucky child. At 5-years-old she told her parents she wanted to play the harp. Plucking the strings inside the piano was more thrilling to her than playing the keys. It wasn't until she was 8-years-old that her parents acquiesced and thus began her lifelong relationship with her harp. Alix has an impressive list of degrees having studied at the Juilliard Pre-College program, then Harp Performance at New York University, and her Masters of Music at the New England Conservatory. She has won numerous awards for Excellence in String Performance, Leadership, and Orchestral Excellence which seems to be a common thread for many of the Caroga Lake musicians who come to share their talent with us.

Alix divides her time largely between Columbus, Ohio where she is the Associate Harpist of the Columbus Symphony and Principal Harpist of the Lima Symphony; and Massachusetts where she is the harp instructor at Phillips Academy Andover and a substitute harpist with the Boston Symphony Orchestra. As an accomplished yoga instructor, Alix also enjoys offering yoga classes to the community when she's in residence at the Caroga Lake Music Festival.

Alix believes that what sets her apart from other harpists is her versatility as a musician, being a musical entrepreneur, and a mindfulness instructor. Her versatility has allowed her to play classical, jazz, and pop harp while featured on shows such as the Late Late Show with James Corden and LIVE with Kelly and Ryan.

Alix has been part of the Caroga Lake Music Festival family since 2012 and has been coming to the Music Festival as her time allows since.
